Serial No.	
8	Letter no: 581/22-27 dt 23.6.24 from the Dy. Commr Bandra requesting for reasons therein, sanction to place again the Asstt Surgeon Chickballapur in charge of the lock up at that Station as a special case in modification of Govt. no. P.10402/Pris 36-22-4 dt 17.5.23 cited. The argument that because the Sub-magistrate is an Assistant Surgeon, he should not be entrusted with the lock up duties does not appear to be sound nor pertinent. On the other hand the Sub-magistrate is a high functionary exercising quasi judicial functions not unequal to that of a Judge & Magistrate. How the Sub-magistrate stationed is considered lower than the District Magistrate does not is not apparent. Pay and Status are quite different things. That the Sub-magistrate is placed lower is not his fault, and the fact of low pay has not stood in the way of the high Statutory functions assigned to him.
	There are other lock ups similarly circumstanced to the Asstt Surgeon

Yes: but the complaint of the D.C is that he is not working as his duties.

This may not be a good reason

in the case of Chikballapur, and to the growing importance of the work the Asst. Surgeon may again be placed in charge, & the proposal to place the Special Magistrate in charge has been vetoed. In fact the suggestion to place the Asst Surgeon in charge, in modification of the orders passed before, was thrown out from the Secretariat itself (vide flag P), and as the Dy Commr is amenable, the proposal may be sanctioned.
